

28 April 2023

Dear Parent/Carer

### Strike Action Update

I am writing to update you on the arrangements for Tuesday 2 May. Following our most recent risk assessment, I need to inform you of a change to our plans. I can now confirm that our school and sixth form will be closed to all students **except** for our 350 Year 13 students.

Although we had planned to provide onsite provision for Year 11 the latest information we have indicates that we do not have the staffing capacity required to provide this.

Please refer to the information we shared last week regarding Year 13 arrangements and the work for students in Years 7-10.

Year 11 are able to work through revision tasks via GCSE Revision Central on Moodle which can be accessed [here](#). The revision resources on Moodle include revision checklists and past papers for; English, Geography, History, Maths, Media, MFL and RE. Students can also access Maths activities on Hegarty.

Thank you for your understanding.

Yours sincerely,

Mr D Planter  
Headteacher
