

Dear Parent/Carer

**Re: Sixth Form SEND Provision**

I am writing to provide a short update on developments in our SEND provision in the Sixth Form.

We run a group for students with Autism on a Tuesday lunchtime in Room 309. This is open to students with and without a diagnosis and is a chance to meet others and share experiences.

In 2023 we will be offering students the chance to take part in an ADHD Masterclass, to explore their neurotype further within a supportive environment. This will be open to students with and without a diagnosis.

We have recently developed a Safe Space in room 309 which is available to a small number of students with high level SEND needs and is being developed to provide a low sensory demand space.

Safe Space

SEND Office

Our SENCO Mrs Whittaker is available on a Wednesday morning to meet with Sixth Form students and parents/cares. Mrs Whittaker can also offer appointments for an online call or phone call after school via this booking link: <https://calendly.com/sencoclinic/30min>

In 2022, we created a new Sixth Form Inclusion Teacher post to increase our capacity to support Sixth Form students who have SEND. Our Sixth Form Inclusion Teacher works with us on a Tuesday, Wednesday and Friday and is based in Room 305. The teacher offers a lunchtime drop-in in Room 305 on a Wednesday for any students who have queries relating to their individual needs.

Yours sincerely

Mr Del Planter  
Headteacher
