<b>Alive and British Values</b>	We value faith, We value diversity and choice, We value justice and respect, mutual respect, tolerance				
<b>Assessment</b>	Practice exam questions on completion of each sub-topic				
<b>Careers</b>	University revision and study skills ideas				
<p><b>How will studying this subject in Key Stage Five help students to make their unique contribution to the world?:</b> It will equip students with the understanding of diversity of opinion and debate around theological, philosophical and ethical issues. They will have developed the ability to speak their own views on the issues but have empathy to consider different perspectives and to disagree well. Students will have learned the skills around wider reading, research and study skills to help them effectively respond to exam questions and prepare them for their next steps post-Sixth Form.</p>
