

29 April 2026

Dear Parent/Carer

**Update from SMRT Governors for Parents/Carers**

Firstly, we hope that you were able to have a restful and enjoyable Easter break.

We wanted to write with a brief update to you, as governors met at the end of last week (w/c 20 April 2026) following the consultation period on whether to join Lighthouse Schools Partnership (LSP).

Thank you for your engagement during the process. At the meeting, governors voted unanimously to continue the journey, taking the next step towards joining the LSP and undertaking further due diligence.

We aim to write next week with further information and to let you know about next steps but want to keep you informed on our progress.

Yours faithfully,

SMRT Governors
