

St Mary Redcliffe and Temple School Sixth Form

Year 11 Into Year 12 Transition Task

Subject: Health and Social Care AAQ Pearson

SMRT Sixth Form takes students from a wide range of schools who have studied a variety of GCSE syllabuses. We want to ensure that everybody is equally able to access the content of the A Level and so the following tasks give you a chance to ensure you are fully prepared.

Health and Social Care is a subject that has many topic areas and is a good foundation subject for a wide range of careers. In general, it's about people, their health, individual circumstances and what affects individuals. Your learning will explore what healthcare and social care service there are and how different job roles support people to meet their individual needs.

To ensure you are ready to fully access the A Level Syllabus you should attempt these tasks:

Task 1: Research and define the following words which are words you will need to use correctly.

Adolescence	Health and care legislation
Advocate	Holistic Approach
Attachment	Multi-disciplinary team
Care package	Meeting people's needs
Care values	Person-centred care
Discrimination	Physiology
Diversity	Risk Assessment
Empathy	Safeguarding
Ethical	Self-Esteem

Task 2: Research the government recommendations for the below lifestyle factors and produce an educational information leaflet;

- Alcohol units
- Exercise
- Hydration
- Nutritional diet
- Sleep
- Smoking
- Prescription and illegal drugs

Task 3: Research and provide a definition of the job roles below. Summarise their roles and responsibilities

- District Nurse
- Phlebotomist
- Palliative Care
- Auxiliary Nurse
- Family Support Worker
- Neonatal nurse
- Domiciliary Carer

- What does it mean when people talk about being ‘on the front line’?
- What does it mean when people talk about multidisciplinary teamwork?

Task 4: It is important to have a *broad understanding* of health care and social issues which affect services and professionals working for the NHS. One way of raising your awareness is to *prepare you before your course* starts with summer learning using different forms of media. You are then tasked with writing a report which is to be a minimum of half an A4 page with the following title: **‘Discuss the issues [in the film/book or documentary] and impact on health care provision’**

In your report consider the following:

- What issues, if any, are being raised in the stimulus? E.g. dementia
- How does the stimulus present health? E.g. care for people with dementia
- Explain why the topic of the media source is relevant to your learning and whether you think it is helpful and why?
