

Graduated Response for SEND 2025-2026

Our Graduated Response is a way of meeting students' SEND needs through implementation of support before moving a child or young person onto higher levels of support by assessing need, planning and carrying out strategies and interventions, and reviewing their impact.

	Cognition and Learning	Sensory and Physical	Communication and Interaction	Social, Emotional and Mental Health
 <p>Intensity of Support</p>	Early Concern: <ul style="list-style-type: none"> • Parent or teacher contact with Learning Support team • Meeting with Learning Support team for information gathering • Screeners or further assessments completed • Decision made to monitor or place on SEND Register at SEN Support stage
