

Safeguarding and Child Protection Policy

1. Definitions

Safeguarding is defined as:

- Protecting children from maltreatment.
- Preventing impairment of children's mental and physical health or development.
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care.
- And taking action to enable all children to have the best outcomes.

Child Protection is defined in the Children Act 1989 (s.47) as when a child is suffering or is likely to suffer significant harm. Under statutory guidance and legislation action must be taken to safeguard and promote the child's welfare.

2. Introduction

- Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone who comes into contact with children, their families and carers, has a role to play.
- In order to fulfil this responsibility effectively, all professionals should make sure their approach is child-centred. This means that they should always consider what is in the best interests of the child.
- We take an 'it can happen here' approach where safeguarding is concerned.
- Everyone who comes into contact with children has a role to play in identifying concerns, sharing information and taking prompt action.
- Victims of harm should never be given the impression that they are creating a problem by reporting abuse, sexual violence, or sexual harassment. Nor should a victim ever be made to feel ashamed for making a report.

St Mary Redcliffe and Temple School is committed to safeguarding and promoting the welfare of children by:

- The provision of a safe environment in which children can learn.
- Acting on concerns about a child's welfare immediately.
- Fulfilling our legal responsibilities to identify children who may need early help or who are suffering, or are likely to suffer, significant harm.

All action taken by the School will be in accordance with:

- Current legislation (these are summarised within Working Together to Safeguard Children: statutory framework)
- Statutory, national, and local guidance. This includes Working Together to Safeguard Children (2018), which sets out the multiagency working arrangements to safeguard and promote the welfare of children and young people and protect them from harm; in addition, it sets out the statutory roles and responsibilities of schools.

Keeping Children Safe in Education (2022) is the statutory guidance issued by the Department for Education, which all schools and colleges must have regard to when carrying out their duties to safeguard and promote the welfare of children.

Local Guidance from the Local Safeguarding Partnership, around particular safeguarding topics, are available on the Keeping Bristol Safe Partnership Website.

This policy (Safeguarding and Child Protection) should be read in conjunction with the following policies:

- Behaviour Policy
- Equality Policy

The School ensures that the above policies (and associated procedures) adopted by the governing body are accessible via the School website and are understood and followed by all staff.

3. Equalities and Rights Statement

With regards to safeguarding, the School will consider their duties under the Equality Act 2010 and our general and specific duties under the Public Sector Equality Duty. General duties include:

1. Eliminate discrimination, harassment, victimisation, and other conduct that is prohibited by the Equality Act 2010.
2. Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
3. Foster good relations across all protected characteristics between people who share a protected characteristic and people who do not share it.

Details of our specific duties are published under the School's equality statement and measurable objectives. These are available on the School website.

We adhere to both the Bristol Equality Charter and Bristol Children's Charter with a view to contribute towards the One City Plan.

Staff are aware of the additional barriers to recognising abuse and neglect in children with Special Educational Needs and Disabilities (SEND). This will be in line with our SEN Information report

St Mary Redcliffe and Temple School also adheres to the principals of and promotes anti-oppressive practice in line of the United Nations Convention of the Rights of the Child and the Human Rights Act 1998.

Other Training Considerations

- The governing body will ensure that at least one person on any appointment panel will have undertaken safer recruitment training, in line School Staffing (England) Regulations 2009.
- Members of the Senior Leadership Team will make themselves aware of and understand their role within the local safeguarding arrangements. This will ensure that those who have responsibility for the management of behaviour, inclusion, Special Educational Needs, attendance, and exclusions will carry out their duties with a safeguarding consideration.
- The Learning Mentor responsible for Children in Care will undergo appropriate training to fulfil their role to promote the educational achievement of registered students who are in care.

- Appropriate colleagues have received appropriate training in relation to use of reasonable force and positive handling.

7. Safeguarding in the Curriculum

The School is dedicated to ensuring that learners are taught about safeguarding, including online safety. We recognise that a one size fits all approach may not be appropriate for all learners, and a more personalised or contextualised approach for more vulnerable learners, victims of abuse and some SEND children might be needed.

This is part of a broad and balanced curriculum. This includes:

- Working within statutory guidance in respect to Relationships and sex education (RSE) and health education - GOV.UK (www.gov.uk); Personal, Social, Health and Economic (PSHE) education, to explore key areas such as self-esteem, emotional literacy, assertiveness, power, building resilience to radicalisation, e-safety and bullying.
- Appropriate filters and monitoring systems are in place to ensure that 'over- blocking' does not lead to unreasonable restrictions as to what learners can be taught about online teaching and safeguarding.
- The curriculum will be shaped to respond to safeguarding incident patterns in the setting identified by the Designated Safeguarding Lead and safeguarding team (e.g., to respond to an increase in bullying incidents).
- Providing engagement opportunities with parents and carers to consult on key aspects of the curriculum.
- Learners can inform the curriculum via discussions with the school council

8. Safer Recruitment and Safer Working Practice

Safer Recruitment

The School pays full regard to the safer recruitment practices detailed in 'Keeping Children Safe in Education' (2022; Part 3)

- This includes scrutinising applicants, verifying identity and academic or vocational qualifications, obtaining professional and character references, checking previous employment history, and ensuring that a candidate has the health and physical capacity for the job. References are always obtained, scrutinised and concerns resolved satisfactorily before appointment is confirmed.
- It also includes undertaking appropriate checks through the Disclosure and Barring Service (DBS), the barred list checks and prohibition checks (and overseas checks if appropriate), dependent on the role and duties performed, including regulated and non-regulated activity.
- In addition, as part of the shortlisting process, the school will consider carrying out an online search as part of their due diligence on the shortlisted candidates. This may help identify any incidents or issues that have happened and are publicly available online, which the school might want to explore with the candidate at interview.

- All recruitment materials will include reference to the school's commitment to safeguarding and promoting the wellbeing of learners.

Use of Reasonable Force

'Reasonable force' refers to the physical contact to restrain and control children using no more force than is needed.' The use of reasonable force is down to the professional judgement of the staff member concerned and will be determined by individual circumstances and the vulnerability of any child with Special Educational Needs or Disability (SEND) will be considered.

- The use of reasonable force will be minimised through positive and proactive behaviour support and de-escalation and will follow government guidance (Use of Reasonable Force in Schools 2013; Reducing the need for restraint and restrictive intervention, 2019).
- There is robust recording of any incident where positive handling or restraint has been used. A review of the incident is carried out to reflect on how the incident could be avoided, and this will involve the child and their family.

Whistleblowing Procedures

Staff are aware of the following whistleblowing channels for situations where they feel unable to raise an issue with the senior leadership team or feel that their genuine concerns are not being addressed:

- General guidance can be found at: Advice on whistleblowing <https://www.gov.uk/whistleblowing>.
- The NSPCC whistleblowing helpline is available here for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – line is available from 8:00 AM to 8:00 PM, Monday to Friday and Email: help@nspcc.org.uk.
- The above channels are clearly accessible to all staff (in the staff handbook, code of conduct and staff notice boards).
