

Details	Details	How is this assessment marked, moderated and feedback to students?
1	End of term – submission of Component 1 – Section A Part 1 (Human Growth and Development across life stages) coursework assignment.	Coursework assignments marked by teacher and samples moderated by partner teacher(s). Students provided with verbal and written feedback.
2	End of term – submission of Component 1 – Section A Part 2 (Factors affecting Growth and Development) coursework assignment.	Coursework assignments marked by teacher and samples moderated by partner teacher(s). Students provided with verbal and written feedback.
3	End of term – submission of Component 1 – Section B (Investigate how individuals deal with life events) coursework assignment.	Coursework assignments marked by teacher and samples moderated by partner teacher(s). Students provided with verbal and written feedback.
4	Component 1 – Completed final draft (All 3 sections from terms 1-3)	Coursework assignments marked by teacher and samples moderated by Standards Verifier. Students provided with verbal and written feedback.
5	Component 3 – Section A (Factors that affect Health and Wellbeing) mini in class assessment(s)	End of topic test marked by teacher and a sample moderated by second teacher. Students provided with verbal and written feedback to help aid their exam technique and understanding of the content in preparation for their Component 3 exam in Feb 2023
6	Component 3 – Section A (Factors that affect Health and Wellbeing) and Section B (Interpreting Health Indicators) Internal assessment (mocks)	Mock exam marked by teacher and a sample moderated by second teacher. Students provided with verbal and written feedback to help aid their exam technique and understanding of the content in preparation for their Component 3 exam in Feb 2023.
Homework	How is homework used to support learning?	How is homework marked and feedback to students
	Homework in terms 1-4 consists of content research and attending after school support sessions (on invite) to enable students to complete their Component 1 coursework assignment. Homework in terms 5-6 consists of past paper questions and revision activities to prepare students for the Component 3 exam in Feb 2023.	The various sections submitted are marked by teacher. Students are provided with verbal and written feedback on how to improve work so they can achieve or supersede their target grades.
In class and in books	What strategies are used to deliver effective feedback and assessment to students during lessons?	What marking and feedback would we expect to see in an exercise book or folder in this subject?
	Live feedback, peer marking, one-to-one feedback (both in person and electronically)	Books are not routinely "marked" but are checked to ensure that notes are being kept to assist students in organising their notes. Feedback will be seen in the students coursework folder.

Details	Details	How is this assessment marked, moderated and feedback to students?
