Safeguarding

We 'Value Ourselves' through strong safeguarding of ourselves and others. We have strong safeguards in place to protect all students.

For example:

- A secure site
- Texts home if a student does not arrive in school without an explanation.
- Ensuring that every member of staff is trained and is safe to work with young people.
- Safeguarding and risk assessments for off-site visits.
- Ensuring that there are our filters on our internet that restrict harmful or inappropriate material.
- We also have designated safeguarding members of staff who have a role to keep students safe, to make sure students are listened to and supported by the right people.

Safeguarding and mental health

- Personal Safety
- Stress and anxiety
- Bullying
- Racist, homophobic or sexist attitudes
- Friendships
- Coercive behaviours
- Health and Mental health issues
- Concerns about schoolwork
- Social media/on-line activity
- Grooming/gangs

Ms Meredith,
Mental Health Lead

How to Report Bullying, Discrimination and Harassment

There are three ways to report bullying, discrimination, and harassment.

1.

Verbally (by mouth)

- Speak to your **Tutor** who will listen, support, follow up on and make sure the right people support you.
- You can also speak to your **Head of Year** or **Deputy Head of Year** or Year Group **Learning Mentor**.
- A further group of staff you can report concerns to are our **Behaviour Managers** based on C Floor. They can take the information and make sure your tutor or Year team leaders check in with you to listen and help solve the concern.

2.

Digitally (by email)

You can click on the image above which allows to you to send an email to this address:
safeguarding@smrt.bristol.sch.uk

This email will be read by one of our [safeguarding team](#) and they will make contact with you.

This email address is also available as a Bookmark in Bromcom's Student Portal. See screenshots below. This can be used by **students**.

3.

Physically (school letter box)

- You can write or type a note and post it in the letter boxes located in each year group office and in visitor reception.
- Please include your **name** if it is about you or the **name of the person** whose safety/wellbeing you are concerned about.
- The boxes will be checked **daily** by Heads of Year and the Administrator for Safeguarding and Mental Health (from 09/23) who will make sure you receive the support you need.

If students have any worries or concerns for themselves or other people they need to speak to a trusted adult, for example: Tutor, Learning Mentor, Deputy Head of Year or their Head of Year.

Students also have access to the Behaviour Support Team to report any concerns or worries they may have.

Smartphones Policy: Our rules for our context

- We recognise that students need phones for safe travel to and from school
- Students must make sure their phones are not 'used, seen or heard' during the day. They must not have access to their devices. This also applies to headphones and smartwatches.
- On arrival phones must be put away. Once in school, students are expected to put their phones in lockers. If students choose not to do this, they must ensure their phones are off, in their bags and not accessed for the day.
- If 'used, seen or heard' phones will not be returned to the student for 5 days, although parents and carers can collect them earlier (within 8.30-4pm, 3.30pm on Fridays)
- Full details of our approach can be found on our website (policy and letters).

Social Media: Guidance for Parents and Carers

- Most forms of social media are not recommended for Year 7 students.
- Parents/carers must be responsible for ensuring access to social media is safe and age-appropriate.
- The Government has reviewed social media access for under 16s, changes are expected to come into place early next year.
- If students are using social media (e.g. WhatsApp groups) you **MUST** monitor carefully
- Any posting or accounts relating to the school (e.g. TikTok) are not acceptable
- Online Safety and Acceptable Use Policy.

Free School Meals

You may be eligible if you receive any of the following, please make sure you reapply for September using this [link](#). From September, the Government has changed the criteria for who is able to access Free School Meals. If you have been rejected in the past, you can reapply.

- Households on Universal Credit, earning more than £7,400 per year

- Households on Universal Credit earning less than £7,400 per year also attract Pupil Premium funding in addition to FSM
